Welcome to this spacious 6-bedroom, 5-bath home in the heart of Suwanee with generous living spaces, extensive updates, and a private backyard with an in-ground gunite pool and hot tub. The main level features a guest suite with private bath, updated kitchen with granite countertops, tile, and a large island, plus a gas fireplace in the kitchen and a wood-burning fireplace in the living room. Brand-new windows have been installed throughout most of the home, and dramatic floor-to-second-floor windows in the living room fill the space with natural light. A brand-new large sunroom overlooks the pool and private backyard. Upstairs are four spacious bedrooms. The primary suite features a huge walk-in closet with room for his and hers, a large tiled walk-in shower, separate soaking tub, and oversized double vanity with a center vanity area. Two additional bedrooms share a large Jack-and-Jill bath, while the fourth bedroom has its own ensuite bath. All bedrooms and closets offer generous space. The finished basement is designed for entertaining, with a fully equipped theater room featuring theater seating and a 100-inch TV, custom color-changing LED lighting, a bar, pool table room, gaming room, plus an additional bedroom and full bathroom. A hardwired sound system runs throughout the entire home and can be controlled via Bluetooth, making multi-level entertaining a breeze. The private backyard features an in-
